

Custom Temp Traffic

At HyLyte, we offer many types of Temporary Traffic Signs. Both manufactured in our factory and brought in, making them easy for us to alter to your specific requirements.

All our Temporary Traffic Signs are made from 3mm Aluminum or Blue Steel Sign White Metal Sheeting with 3M Class 1 Reflective material over-laid, which is available in three colours: YELLOW, ORANGE and SILVER/WHITE.

We make 900mm x 600mm Class 1 Temporary Traffic Signs to be used in our "Swing Stands" that are made from Gal or powder coated yellow tubing. Also available are "Boxed Edge" sign frame that come with or without feet. Also available is the Tri-Stand which hold two 600mm x 600mm signs with a 1200mm x 400mm long bottom message sign.

Contact our office for more details on how we can help you with your Temporary Traffic Solutions.
